

***H.E. Mr. Werner Hans LAUK
Extraordinary and Plenipotentiary Ambassador of
the Federal Republic of Germany in Romania***

Your Excellency,

The terroristic attacks that struck Germany during the last days, resulting in tragic deaths and injured people, and equally the high general tension have deeply affected the Romanian citizens too.

I myself and the entire Board of the Romanian Academy would like to express our deepest concern and sorrow for the loss of human lives and for the state of insecurity the German people are experiencing. We are sure that the solidarity and courage of the Germans, to which the Romanians are associated, will overcome this tragic situation, as many times in history.

I assure Your Excellency of my sincerest sympathy and solidarity, and send you the expression of my highest consideration.

***President,
Ionel-Valentin Vlad***
